

## *St Oswald's Science LTP 2022*

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Our Special Family	Christmas is coming	Traditional Tales	Colours Everywhere	People Who Help us	Journeys and Transport
Year 1	Animals, including humans – About me	Animals, including humans – about animals	Use of Everyday Materials 1	Seasonal Changes	Introduction to Plants	Exploring Everyday Materials 2
Year 2	Living things and their habitats 1 – habitats from around the world	Everyday Materials	All about diet and health	Plants – Growth and care	Living things and their habitats 2	Animals, including humans - Growth
Year 3	Forces and magnets	Light	Rocks and soils	Animals, including humans – What makes us	Exploring the world of plants	Plants – lifecycles
Year 4	Electricity	States of matter	Sound	Living things and their habitats – nature and the environment	Living things and their habitats – classifying	Animals, including humans – food and digestion
Year 5	Space: Earth, Sun and Moon	Properties of material	Changes of materials	Forces	Living things and their habitats	Animals, including humans – explore lifecycles
Year 6	Light	Electricity	Evolution and inheritance	Animals, including humans – the heart and health	Animals, including humans – blood and transportation	Living things and their habitats

All year groups	Working scientifically
